COMPUTER APPLICATIONS

The Society, under its aegis, has been running a Group of Institutes named-Bansal Group of Institutes. That are -

THE STARS IN OUR CAP ARE:

- Bansal Institute of Science & Technology, Bhopal
- Bansal College of Engineering, Mandideep
- Bansal Institute of Research & Technology, Bhopal
- Bansal Institute of Research Technology & Science, Bhopal
- Bansal College of Pharmacy, Bhopal
- Sushila Devi Bansal College of Technology, Indore
- Sushila Devi Bansal College of Engineering, Indore

Spread over the period of time with their establishments, the institutes under the group are committed to cater the needs of the present day Technical and Professional World.

LATE SHRI K. C. BANSAL JI
FOUNDER CHAIRMAN
BANSAL GROUP OF INSTITUTES

CHAIRMAN
Er. Anil Bansal

Er. Anil Bansal, the Chairman, is a Civil Engineer and has around 32 years of expertise in the field of Infrastructure Development, Education, Industries, and Health Care. He is also the Managing Director of Bansal Hospital, Bansal Steel, Bansal Extraction, Bansal News, and Bansal Construction Pvt. Ltd. He has won the best structure award and is continuously striving for quality in every field. The Redevelopment of Habibganj Railway Station is his dream project. He is also contributing to the welfare of the society by educating underprivileged children and providing them with all the facilities free of cost required for their education.

SECRETARY
Er. Sunil Bansal

Er. Sunil Bansal, the Secretary, is a dynamic Mechanical Engineer and has around 28 years of experience in manufacturing, infrastructure, healthcare, media, and mining. He has been awarded the best youth entrepreneur of the year award and the best-managed institution for social causes. He has the gifted ability of simplifying the most complicated tasks. Keenly interested in professional development, he possesses extensive experience in the field, along with exemplary leadership and decision-making skills. He holds the respectable position as the Director of various companies owned by the Bansal Group.

MANAGING DIRECTOR, BGI

Er. Parth Bansal

He is a dynamic and optimistic person, who believes in practical execution of work and makes all possible efforts to achieve positive results.

He has completed his Bachelor of Engineering in Civil branch from Penn State University. He is also the CEO and founder of TONEOP - Health & Nutrition platform which provides personal assistance to maintain a healthy lifestyle. Under his guidance all the seven institutions of BGI (Bhopal, Mandideep & Indore) are working in unison & many new initiatives have been started to achieve academic excellence.

JOINT SECRETARY

Dr. Sanjay Jain

Dr. Sanjay Jain, Joint Secretary, is an Electronics Engineer and has around 20 years of exposure in manufacturing, education, research, and agriculture. He responsibly takes the challenges and goals that the organization assigns him. He has the ability to work under high pressure, is adaptive to change, has problem-solving competency, and manages staff compassionately. He has published several papers in National and International Journals and has chaired various technical sessions. He has strong interpersonal skills and is an IT expert.

GROUP DIRECTOR

Prof. (Dr.) H.B. Khurasia

He is Ph.D. in Applied Mechanics from (MACT) Bhopal University, M.Tech from Burdwan University, W.B. & Graduated with B.E. (Mech.) from Jiwaji University Gwalior. He has over three decades of academic and research experience including a rich & distinguished career in the teaching, research & administrative field spanning over three decades at MANIT, Bhopal.

He has published more than 45 research papers in various National & International Journals & is a recipient of two Gold Medals & One Certificate from Merit for his best papers published in the journals of the Institution of Engineers (India), Kolkata.

He has guided 4 Ph.D. students and more than 20 M.Tech thesis along with working on several Industrial Research Projects for organizations such as BHEL, Hyderabad; Tata Energy Research Institute, Bombay; Deptt. of Science & Technology, New Delhi & M.H.R.D. New Delhi. He also has been a part of the foreign assignments at the Faculty of Engineering & Technology, University of Ilorin, Nigeria for 3 years (1979-82). He visited the U.K. on a 2-week study tour as a Senior Faculty of the Institute (MACT) under Indo-U.K. REC Project in the field of Energy.

He is a retired Professor & Head of the Mechanical Engineering Department from MANIT, Bhopal after serving for more than 40 years in various capacities.

QUALITY POLICY

Bansal Group of Institutes (BGI) is committed to imparting quality education at an affordable cost to the students enabling them to become industry-ready professionals.

Following salient measures are taken at BGI to maintain sustained high quality of education :-

- ☑ Structured process (involving written test followed by interview by a committee of experts) for selection of faculty & staff members.
- ☑ Periodic assessment of essential skills of teachers and teaching pedagogy through examination.
- ☑ Preparation of unit-wise lecturer notes by the faculty members and their quality checks by subject experts.
- ☑ "Reference Manual", a source of immense knowledge and a technical guide for systematic and regular study, is issued to every student well before commencement of new semester.
- ☑ Ensuring minimum 75% attendance of the students through a regular monitoring system.
- ☑ A well-established system of timely intimating those parents whose wards fall short of 75% attendance and reminding them to ensure that their wards must have a minimum threshold level of 75% attendance, a condition necessary for meeting eligibility criteria for appearing in college-level examinations and university examinations.
- ☑ Focus on ensuring that the students religiously perform laboratory experiments to acquire practical knowledge commensurate with theoretical inputs imparted to them.
- ☑ Pre placement training by subject experts as a part of course curriculum.

BGI education system is thus following the dictum "**Reform, Perform and Transform.**"

EXPLORE OUR COURSES

Department of **COMPUTER SCIENCE & ENGINEERING**

The Department of Computer Science & Engineering witnesses an excellent teaching-learning environment. In the department, we provide well-synchronized facilities to students according to the industry's needs. Along with the infrastructure, rich training sessions are a part of the teaching methodology for Machine Learning, PHP, Cyber Security, and workshop development of hardware and software.

An agile environment enables it to move in parallel with the ever-changing industry trends, which is regularly reflected in its placements statistics. With its students placed in popular MNCs, the department has been the flag bearer of professional success in the IT market.

Major Recruiters

Department of **CIVIL ENGINEERING**

The vision of the department is to empower our students with the technicalities and their all-round development. The teaching methodology focuses on present-day trends, and ethics of engineering in order to produce engineers with high caliber and morals to serve society. Field visits, seminars, specialized training, and participation in various activities are a part of our scheme.

We provide various opportunities to build the competency of students through various specialized training in REVIT, STAAD Pro, Construction Safety Management, and Building Information Modeling Software (BIM).

We guide our students towards higher learning through projects and pave their way to get placed in reputed companies.

Major Recruiters

Department of **ELECTRICAL & ELECTRONICS ENGINEERING**

The Department of Electrical and Electronics Engineering caters to the growing awareness with training and education of electrical engineers as per industry needs to be in the area of highly efficient, industry-relevant skills formation; to enable frequent and rapid deployment of professional skills in new areas.

The department emphasizes areas such as Integrated Electronics and Circuits, Machines, Control & Automation and Power Systems & Power Electronics. Focus is laid on various areas through meticulous training for students such as Big Data Analysis, Solar Converters, MATLAB, Drone Technology, and hands-on project-based training of micro equipment.

Along with the training, companies from core areas contribute a major part to students' exposure and skill enhancement.

Department of

ELECTRONICS & COMMUNICATION ENGINEERING

The Department of Electronics and Communication focuses on multi-disciplinary approaches to learning technologies and contemporary requisites of skills for modern market upgrades.

It covers various aspects of Computational Theory, Programming, Algorithm Design and Optimization, Networks, Mobile Technologies, Electronics, Mathematics, probability, etc. Numerous pieces of training are organized in diverse areas to develop and boost creativity. It includes training on Electrical Vehicle, 5G Technologies, MATLAB, Drone Technology, Aero-modeling, Robotics & Motion Control, and Distributed Control System.

Major Recruiters

WINDMÖLLER & HÖLSCHER

adani

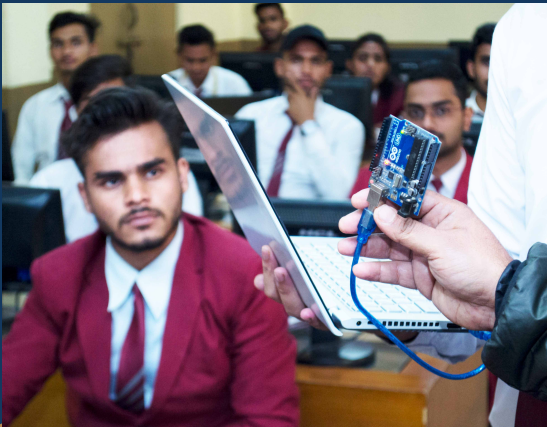

Department of INFORMATION TECHNOLOGY

With the advancement of Information Technology, it is imperative to have the right skill set with the knowledge to serve the creative requirements of the industry and clients. The department of IT is dedicated to building skills in coding, interface, and technology. We got a professional membership with various reputed societies like CSI, and IJITE.

Technical workshops & expert lectures, and skill & personality development programs are being conducted by the Department to make the students industry-ready.

We conduct trainings in Internet of Things (IoT), Artificial Intelligence (AI), WordPress, Java, Spring Hibernate, C/C++ and Python.

Major Recruiters

Department of **MECHANICAL ENGINEERING**

The Department of Mechanical Engineering has wide scope in the manufacturing, and component designing in the automobile sector. We strive to generate high-quality graduates through quality education focused on coursework and training programs. The primary focus of our methodology is to impart technical know-how to students and promote their problem-solving skills and innovation of new technologies.

We have included numerous technical training for our students in CFD, STAAD Pro, GIS, Auto CAD, REVIT Architecture, HIT-Office (ERP), CNC, and Nx. to produce skilled and competent engineers in this area.

MASTER IN COMPUTER APPLICATIONS (MCA)

The Department of Computer Applications is dedicated to providing modern, industry-oriented education in Computer Science and Applications. It aims at producing trained professionals who can successfully meet the demands of the industry.

Students are trained in the fields of Computer Networks, Information Storage and Management, System Administration, Web Designing and Development, Database Administration, Cloud Computing, Data Mining and Warehousing, Application Software Development, Enterprise Resource Planning, etc.

Students are sent to real-time training at various reputed companies in the IT industry to spend a full semester working at the institute to provide a practical learning experience.

Major Recruiters

MASTER IN BUSINESS ADMINISTRATION (MBA)

The Department of Management is committed to fostering a creative learning environment through proactive, dynamic, and participative processes towards enhancing the quality of life. Our exceptional faculty, distinguished guest lecturers, visiting faculty, internship placements, and field exposures provide the optimal balance between theory and practice.

Bansal's Management Department ethos is focused on identifying and nurturing the next generation of thought leaders through intuitive education. The teaching pedagogy includes case study methods, presentations, discussions, and assignments. In addition, technical training is also imparted for developing research and technology understanding through IBM SPSS and MS Office classrooms.

ADMISSION GUIDELINES

The minimum qualification for admission in Engineering is a 10+2 examination or any equivalent exam with Physics, Chemistry, Mathematics conducted by the M.P. Board of Secondary Education /CBSE, or any other board examination recognized as equivalent by the State Govt. of M.P. Students got admitted based on JEE exam results. For General candidates minimum, passing marks are 45% (PCM) in the 12th exam & for SC/ST/OBC candidates minimum passing marks are 40% (PCM) in the 12th exam.

Eligibility criteria for admission in MBA (2 years course) – Any Graduate of three years in any stream is eligible to take admission in MBA. The minimum passing marks for general category students is 50% and for SC/ST/OBC is 45% in aggregate. The domicile of MP is eligible for scholarship if they belong to a reserved category.

Eligibility criteria for admission in MCA (2 years course) – Any Graduate in B.C.A / B.Sc Computer Science/ B.Sc. (IT) / B.E. (CSE/IT)/ B.Tech. (CSE/IT) or equivalent degree or passed any graduation degree with Mathematics at 10+2 level or at Graduation level is eligible to take admission in MCA . Minimum 50% marks for general and a 45% marks in case of candidates belonging to reserved category in the qualifying examination is required.

For the admission process, Director Technical Education (DTE) website admitted students through registration and verification process through the website portal www.dte.mponline.gov.in

SCHOLARSHIPS

Each student has a story of his own, but the financial gap in paying for college is still apparent. By providing sufficient scholarship assistance, students are supported to graduate. Since the State government and Central government have a provision for scholarships for such students, we at BGI provide them with required information and assistance for the same. Some such scholarships are–

State Government merit cum means scholarship for eligible SC/ST/OBC candidates is available. We assist students to fill out the available form at the portal and provide required documents from the institute. The scholarship portal for the same is, www.scholarshipportal.mp.nic.in

Central Government scholarship for the eligible minority is available. We assist students here also in obtaining these scholarships. The scholarship Portal for the same is, <http://scholarships.gov.in>

Fee Deposition before starting of the session/semester.

Admission staff help students open their bank accounts for smooth monetary transactions by themselves.

The facility of online fee payment through various payment gateways is available to students.

ACADEMICS

Highly skilled and experienced faculties in all branches are teaching and mentoring the students to make them successful individuals and market ready professionals.

Given the Pandemic and Post-Pandemic scenario, our institute continues its unstoppable journey of providing best education to its students through online teaching platform. A world class learning Management system CANVAS is implemented for this purpose.

Open Source LMS

TEACHER GUARDIAN SCHEME

The teacher guardian scheme in the institute is to establish a good sense of rapport with students fostering healthy teacher-student relationships. In this scheme, the teacher acts as a mentor, guide, and philosopher. Our teachers interact constantly and keep themselves in contact with the students always so that problems of students regarding educational, socio-economical, health-related, and family-related could be sorted out and most possible help can be rendered to the students.

TRAINING FOR PERSONALITY DEVELOPMENT

In addition, to make students technically strong, we do not forget that these students have to face the corporate world once they are out of the institute. To make them smart professionals, there are regular classes for personality development. Also, there are communication skills classes each semester for the students, and for campus placement preparation they get additional training.

STUDENT REFERENCE MANUAL

Student Reference Manual, a source of immense knowledge and a technical guide for systematic and regular study, is issued to every student well before the commencement of the new semester.

STUDENT'S PROJECT EXHIBITION

As a part of the curriculum students have to build projects in their final year. Usually, there are many domains for academic projects in both hardware and software fields. It is an attempt to exhibit and bring out talent fostering innovative skillset through annual events.

AWARDS & RECOGNITION

STUDENTS: BGI awards its meritorious and diligent students of different semesters and branches for their outstanding performances.

FACULTY: Our faculty is also conferred with Rs. 50,000/- cash prize along with a certificate of appreciation for achieving exemplary academic results for their students in RGPV exams at the 'Utkrasht Shikshak Samman" program every year.

INSTITUTE: With the dedication of our faculty, management, and students we were honored with the best institute award in SRIJAN.

EXAMINATIONS

Exams and tests reflect the caliber along with the strengths and weaknesses of the students.

At BGI, two mid-semester tests are conducted each semester as per RGPV guidelines. There is a pre-university test conducted before the RGPV exam to prepare the students for the main exams.

The attendance monitoring system can be used by students and faculty to monitor their daily attendance. The student/faculty have to get their user id and password from their respective HODs and after logging in they can check their daily attendance. Please note that as per University guidelines, 75% attendance is required to qualify for the university exams.

University website: www.rgpv.ac.in

The examinations of MBA students are conducted as per the guidelines of Barkatullah Vishwavidyalaya.

University website: <http://www.bubhopal.ac.in/>

ANTI-RAGGING COMMITTEE

Ragging of junior students is strictly prohibited. The punishments are liable to the students who are found guilty of ragging as per UGC regulation on curbing Menace of ragging 2009.

In order to ensure and facilitate peaceful and disciplined stay of the newly admitted first year students, institute constituted Anti Ragging Committee. The conveners and members of the committee through their strict vigilance ensure harassment free and homely stay of fresher students upon their arrival in the campus.

To ensure senior students not to indulge in any activities that may count as ragging, and to eradicate the menace of ragging, Hon'ble Supreme Court in Civil Appeal No. 887 of 2009, passed the judgment wherein guidelines were issued for setting up of a Central Crisis Hotline and Anti-Ragging database. In accordance with the orders, UGC (University Grants Commission), Govt. of India has developed a web portal. All senior students and their parents have to fill the affidavit available on this website, duly sign it and submit to the institute. The website is: https://www.antiragging.in/site/affidavits_registration.aspx

LIBRARY

The library is stocked with more than 60,000 books, magazines, Indian & International Journals, online Journals and other online resources supporting all aspects of studies and research. The collection is rich and diverse, especially in terms of the breadth and depth of coverage. There are departmental libraries apart from the Central Library which acts as a learning resource hub for the students & faculty members. A separate reading section helps them sit and study for making notes or writing assignments with the help of library material. The library housed with more than 5000 titles and approx 60,000 volumes of books for Engineering, MCA and MBA. Around 25 national journals and magazines along with online access of national and international journals make quite rich content for readers including students and faculty members.

FACILITIES & STUDENTS LIFE

Identity Card:

Students are issued Identity Card on payment of actual cost. The students must carry the identity card in person all the time in the institute and in the town. This identity card will be beneficial to the students for personal identification in journey, excursion, and industrial visit as well as in the public places & the institutions.

Transport Facility:

The institute provides a very safe transport facility specific for student and other staff members in the form of buses. These buses are available from all corners of Bhopal and from Sehore, Gairatganj, Raisen, Vidisha, Obedullaganj and Narsinagarh.

Hostels:

The college has tie-up with different hostels for the students. They also have the option to arrange their own PG/ Hostels in the local area or can stay in hostel facility provided by other private owners located nearby college campus.

Canteen:

The canteen provides nutritional and healthy food and other items for the students. The quality of food in canteen is controlled and ensured by institutional committee.

Auditorium:

The institute houses an auditorium which facilitates the students to carry out their activities in the right environment, smoothly and with ease. The Auditorium is centrally air-conditioned with a fully sound proof set up and equipped with latest technology for all types of audio/video presentations.

Seminar Hall:

In addition to central Auditorium there are departmental Conference Halls also, which are available for seminars, meetings, workshops cultural programs etc.

Students' Discipline:

Students are expected to maintain a high standard of discipline for effective learning and the best possible development of personality. Students are required to attend not less than 75% of lecture and tutorials etc. in each subject and to complete 75% of practical work in practical subjects in order to qualify for appearing at the university. Students who wish to take leave must send application in writing countersigned by their parents or local guardians.

Students' Uniform:

The Students are expected to be well groomed and dressed. There is a prescribed uniform for the students. Boys have to wear Grey pants, White shirt, Black leather shoes (preferably) and a tie whereas Girls have to wear Grey trouser, grey jacket with white shirt. and black leather shoes (preferably) or sports shoes (Girls have an option of wearing Grey Kurta, white salwar with white chunni and black leather shoes (preferably) or sports shoes).

Sports:

Sports not only teach the students to maintain the physical stamina, but also the habit of obedience, discipline, the determination to win, willpower, etc. If students stay emotionally and physically healthy, they can easily focus on their studies. Students have to participate in sports to increase confidence, mental alertness, and self-esteem. Therefore, sports along with the academics result in the all-round development of the students.

In BGI we focus on indoor as well as outdoor sports activities and individual as well as team activities. Facilities available in the campus for various such indoor and outdoor sports activities such as: Table Tennis, Chess, Carom etc as indoor games and Cricket, Football, Volleyball, Kho-Kho, etc as outdoor games.

NCC & NSS:

National Cadets Corps aims at development of character, discipline, comradeship, secular outlook, ideals of selfless services, adventure spirit and inculcates leadership skills among students. BIST is one of the first private educational institute of the central region that has Girls NCC platoon having 54 cadets. Since many years, students have participated in NCC and have successfully joined the defense sector.

National Service Scheme (NSS) is a student centric program complimenting the Engineering education. It inculcates the spirit of voluntary work among the students and teaches through continuous community interaction. It brings students closer to the society. The overall objective is personality development of students and orients them towards community service. The activities include visit to the nearby villages, counseling people regarding health and hygiene etc.

Cultural Events/Technical Fest:

National Service Scheme (NSS) is a student centric program complimenting the Engineering education. It inculcates the spirit of voluntary work among the students and teaches through continuous community interaction. It brings students closer to the society. The overall objective is personality development of students and orients them towards community service. The activities include visit to the nearby villages, counseling people regarding health and hygiene etc. Technical fests gives a platform to young brains to showcase their innovative ideas and compete with their peers. These technical fests are an amalgamation of fun and learning where spectacular ideas are displayed, and students learn and feel inspired. It elevates confidence and also teaches them how to work in a team and in various challenging situations.

There is a regular annual event organized in BGI with the name 'BANSALOTSAVA' which includes all the above aspects of cultural and technical events. All the students take part in these events with all vigor and enthusiasm.

Newsletter:

Bansal's Newsletter is a quarterly feature of the institute and provides a brief detail of all the events conducted in the campus. It helps to communicate with students and their parents as well as to showcase the activities, student's achievement, awards and events of the institute.

Seminar / Conferences / Webinar:

we often come across the issue regarding the level of higher education not meeting the industry expectation. To bridge this gap and equip the students of current generation with new-age technologies, seminars and workshops play an imperative role. They assist in passionate interaction and active participation boosting the skills and expertise of students.

In BGI we ensure the frequency and content of Seminar and Webinar. In every branch and in every semester we organize sufficient number of seminar/conferences/webinar. There were at least 04 TEQIP sponsored seminar on latest technologies and ideas such as 5G technologies, BIG DATA etc. conducted in the last semester. These new technologies not only make students aware but faculties are also getting equipped with current trends in industries.

Industrial Visit:

Industrial visit has its own importance in the career of a student who is pursuing a professional degree. It is considered as a part of college curriculum. The objective of an industrial visit is to provide us an insight regarding internal working of companies. With an aim to go beyond academics, industrial visit provides students a practical perspective of the work place. It provided us with an opportunity to learn practically through interaction, working methods and employment practices.

Industrial visit is a regular feature in BGI. Students of all the branches and all the semesters visit to the working areas, manufacturing companies, power plant etc depending upon its relevance to the branch.

Alumni Association:

An organization's alumni are the reflection of its past, representation of its present and a link to its future. Alumni organizations have special opportunities to influence the experience of prospective and current college students. This chapter explores programs that enhance connections between students and alumni. There is a well organized Alumni association in the institute. The institute has a well established alumni association called Bansal Institute of Science and Technology Alumni Association (BISTAA) established in 2005. There is a regular gathering of these alumni in order to get updates regarding alumni themselves and the organization.

Training & Placement

Bansal Group of Institutes (BGI) is one of the leading groups in Central India providing excellent placement opportunities to their budding professionals. We have placed 10000+ students in over 250+ reputed National & Multinational companies ever since the institutions are established.

A great pool of 250+ high marquee recruiters like Microsoft, TCS, ValueLabs, Wipro, Deloitte, HCL, Persistent, Atos-Syntel, Cognizant, Capgemini, MindTree, Infosys, Mphasis, Yash Technologies, Nucleus Software, ThinkFuture, Core Card, UltraTech Cement, Reliance, Windmoller & Holscher India, Vishal Bearings, Crompton Greaves, HEG, DECG International, Manikaran Power, Triveni Turbines Bansal Constructions, and Walia Auto provided opportunities to our students of Batch 2021-2022 by April 2022. BGI continues to set a benchmark by maintaining a 100% placement record in multiple branches with students getting placed in their dream companies, the highest package being 42 lacs and the average package being 4 lacs per annum for the years 2021-2022. A few major-league companies where our students got placed are ValueLabs (4 students), Persistent (21 students), Deloitte (8 students), Mphasis (49 students), Wipro (86 students), and HCL (25 students).

The Placement Team plays an integral role in creating the illustrious placement record for students of Bansal Group of Institutes. The experienced team with corporate background works tirelessly towards ensuring a smooth process of employment for all students across various industries and maintains strong links with the national and multinational companies. It also guides the budding entrepreneurs in establishing successful businesses.

Training

The highly experienced Training Team of BGI ensures that the students are industry-ready before placement drives & entering the corporate world by conducting mock Interviews, GD Sessions, aptitude training, mock tests along with communication skills, personality development, and company-specific training programs.

“Student Empowerment Week”- As a unique feature of BGI at the end of every semester, students from all semesters are imparted specific Technical Training on the latest technology as per the industry requirement. Drone & Aeromodelling, ROBOTICS, MATLAB, PLC, etc. for EX & EC branches, Word Press, Hibernate, IOT, etc. for CSE, IT & MCA branches, RAVIT, STAAD PRO, etc. for Civil branch, CNC working, E-Vehicle manufacturing, etc. for Mechanical branch are few of the elements of the training program.

OUR PRIME RECRUITERS

STUDENT'S TESTIMONIALS

ROHIT MAYWAD

Bansal Institute Of Research & Technology, Bhopal
CE,
Batch 2018 - 22

I am proud to be part of Bansal Group of Institutes (BGI) which is one of the pioneer groups in Central India for providing excellent placement opportunities for their budding engineers. 10000+ students placed in 250+ reputed National & Multinational companies ever since the institutions were established.

SHASHANK KUMAR BARPE

Bansal Institute of Science & Technology, Bhopal
ME,
Batch 2018 - 22

My journey in BIST Bhopal has transformed me from an introvert to a successfully placed student in a reputed company. Bansal Group is not only providing knowledge but also the overall development of the students. Many pre-placement training programs like aptitude, communication, GDPI, technical, etc. are organized to prepare every student. The faculty members are very knowledgeable and helpful. I am very thankful to the entire BGI team.

RUPAL GUPTA

Bansal Institute of Science & Technology, Bhopal
CSE,
Batch 2018 - 22

BGI stands out among all the colleges in Bhopal as it focuses on the growth of the person not only as a student but also as an individual who is going to work for the betterment of society. I would like to thank BGI management, faculties, and the training and placement cell for preparing me for the campus placements which got me placed in 7 companies like TCS, Wipro, Persistent Systems, and HCL.

STUDENT'S TESTIMONIALS

CHEITNA GAWHADE

Bansal Institute of Science & Technology, Bhopal
MCA,
Batch 2020 - 22

The faculties have been a great support with their efforts in my upbringing as an Engineer. BGI campus is one of the best campuses with a lush green environment around & various facilities like library & well-equipped laboratories. The Training & Placement Department has been putting their best efforts into training the students and ensuring that each & every student has a job in hand. I got placed in Cognizant at a package of 4 LPA.

TEERATH KUSHWAH

Bansal Institute of Research & Technology
EC,
Batch 2018 - 22

I got placed in Value Labs at a package of 16.5 lacs. I owe my success to the entire BGI Group for giving me a beautiful platform to grow as an engineer. BGI provides the best facilities in terms of teaching, training, placements, and overall development of a student. I am grateful to the BGI management, director, and faculties for their guidance.

ANKIT VISHWAKARMA

Bansal Institute of Research Technology & Sciences
CSE,
Batch 2018 - 22

I would like to thank the kind and obliging faculty members for their guidance in this journey. The college campus is very beautiful with all the facilities like transportation and best of the training which helps the students in overall development. The placement department works very hard and brings all the reputed brands to the colleges. I am placed in Persistent with 4.7 LPA.

STUDENT'S TESTIMONIALS

AARTI KHANKUL

Bansal Institute of Science & Technology, Bhopal
IT,
Batch 2018 - 22

My days at BGI remind me of the colorful stage, the vibrant classrooms, and the super supportive faculty. It is much beyond just an "Institution", it represents the culture of excellence, empowerment, and enrichment. I am grateful to my beloved faculty members for providing me with ample job opportunities in the top companies. I got selected by several MNCs and joined Persistent at a package of 4.7 LPA. Platforms like student clubs, cultural and extra co-curricular activities made me the person I am today.

Proud to be a BANSALITE.

NITIN PAL

Bansal Institute Of Research & Technology, Bhopal
EX,
Batch 2018 - 22

I thoroughly enjoyed every moment at BGI. The college helps shape the overall personality of the students along with teaching, by organizing cultural and sports events, Techfest, and various competitions. The training department helps us groom our communication, aptitude, and technical skills through various GD and Mock Interviews sessions. Thank You BGI for helping me get placed in many companies.

मिशन एडमिशन: मेधावियों ने मनपसंद ब्रांच के लिए सीटें आरक्षित करवाईं बंसल ग्रुप के शैक्षणिक संस्थानों की विभिन्न ब्रांचेस की सभी सीटें फुल

एडमिशन के दूसरे चरण में ही
समूह की सभी सीटें भरीं

सिटी रिपोर्टर | भोपाल

बंसल समूह के विभिन्न शैक्षणिक संस्थानों में प्रदेश के लिए काउंसिलिंग 2021 में छात्रों द्वारा ग्रुप को पहली पसंद चुनते हुए 951 सीटों पर नवम्बर 2021 में प्रवेश लिया। समूह के महाविद्यालयी बंसल इंस्टीट्यूट और साइबर एंड टेक्नोलॉजी, बंसल इंस्टीट्यूट ऑफ बिजनेस एंड टेक्नोलॉजी और बंसल इंस्टीट्यूट ऑफ बिजनेस, टेक्नोलॉजी एंड साइंस की सभी ब्रांचेस की गत-प्रवर्तित सीटों पर प्रवेश हुआ है। बंसल मैनेजमेंट ने छात्रों और उनके अभिभावकों को समूह में प्रवेश हेतु सर्वाधिक भरोसा दिखाने के लिए धन्यवाद दिया। इस अवसर पर बंसल ग्रुप के सेक्रेटरी, सुनील बंसल ने बताया कि भोपाल भूखण्ड की शिक्षा व्यवस्था में प्रदेश के शैक्षणिक मानकों को एक नया आयाम देने के उद्देश्य के साथ कार्यरत है। मध्य प्रदेश की शिक्षा व्यवस्था और उच्च शिक्षा को गुणवत्ता के विस्तार के लिए बंसल ग्रुप आधुनिक शिक्षा पद्धति और आयाधुनिक कोर्सेस को ऊर्ध्वतन छात्रों तक पहुंचाने के लिए निरंतर प्रयत्नरत है। बंसल इंस्टीट्यूट्स परंपरागत कोशल आरक्षित शिक्षा प्रणाली को एक उन्नत उदाहरण है, जहां छात्रों को उद्योग जगत की जरूरत के अनुसार तैयार किया जाता है। ग्रुप अपने विद्यार्थियों को ही तकनीकी शिक्षा के क्षेत्र में अग्रगण्य रूप से आगे बढ़ते हुए अपनी सेवाएं प्रदान कर रहा है।

सीएस और आईटी में रुझान

बंसल ग्रुप और इंस्टीट्यूट में प्रवेश की प्रक्रिया तकनीकी शिक्षा के माध्यम से संचालित होती है। संस्थान में प्रवेश लेने वाले छात्रों का रुझान इस बार सबसे ज्यादा साइबर साइंस और आईटी को देखकर हो चुका है। छात्रों और उनके अभिभावकों को समूह में प्रवेश हेतु सर्वाधिक भरोसा दिखाने के लिए धन्यवाद।

बंसल समूह सर्वेक्षण से छात्रों के हित को और आसुर्य रहा है, जिसके परिणामस्वरूप हर साल की तरह इस साल भी छात्रों ने अभी तकका देखने को किया। इसी संकेतकों की दृष्टि-प्रवर्तित पद्धति पर देखकर हो चुका है। छात्रों और उनके अभिभावकों को समूह में प्रवेश हेतु सर्वाधिक भरोसा दिखाने के लिए धन्यवाद।

—सुनील बंसल, सचिव, बंसल ग्रुप

इंडस्ट्री रेडी कोर्सेस और छात्रों का शानदार प्लेसमेंट

बंसल इंस्टीट्यूट और माध्यम एंड टेक्नोलॉजी उन्नत शिक्षा व प्लेसमेंट के साथ-साथ विद्यार्थियों को प्रवेशपत्रों व हाईटेक के लिए तैयार करता है। इसके लिए समूह द्वारा इंडस्ट्री रेडी कोर्सेस, बिजनेस प्रोसेस, सिटी फैक्ट्री, सूर्यवात लेसन, एडमिशन और कोर्सेस इत्यादी कोर्सेस में उन्नत ब्रांचें जैसी हैं। साथ ही टी एंड पी सेस के माध्यम से छात्रों को कई जेनरल और इंटरनेशनल कंपनियों में प्लेसमेंट के अवसर भी प्रदान किए जाते हैं। इस चरण में अभी तक करीब 142 छात्रों का प्लेसमेंट 4 लाख का टारगेट और 16 लाख का टारगेट निरंतर करके भी हो चुका है।
