THE PARAMOUNTS

LATE SHRI K. C. BANSAL JI
FOUNDER CHAIRMAN
BANSAL GROUP

ER. ANIL BANSAL
CHAIRMAN

He is a Civil Engineer with 32 years of expertise in the field of infrastructure development, education, industries and health care. He is also the Managing Director of Bansal Hospital, Bansal Steel, Bansal Extraction, Bansal News, and Bansal Construction Pvt. Ltd. He has won the best structure award and is continuously striving for quality in every field. The Redevelopment of Habibganj Railway Station was his dream project. He is also contributing to the welfare of the society by educating underprivileged children, providing them all the facilities free for their education.

ER. SUNIL BANSAL
SECRETARY

He is a dynamic Mechanical Engineer with 28 years of experience in manufacturing, infrastructure, healthcare, media, and mining. He has been awarded the best youth entrepreneur of the year award and the best-managed institution for social causes. He has the gifted ability of simplifying the most complicated tasks. Keenly interested in professional development & possesses extensive experience in the field, along with exemplary leadership and decision-making skills. He holds the respectable position as the Director of various companies owned by the Bansal Group.

ER. PARTH BANSAL
MANAGING DIRECTOR, BGI

A dynamic and optimistic person, who believes in practical execution of work and makes all possible efforts to achieve positive results.

He has completed his Bachelor of Engineering in Civil branch from Penn State University. He is also the CEO and founder of TONEOP – Health & Nutrition platform which provides personal assistance to maintain a healthy lifestyle. Under his guidance all the seven institutions of BGI (Bhopal, Mandideep & Indore) are working in unison. Not just this,
Mr. Bansal also manages the renowned news channel of MP – BANSAL NEWS & many new initiatives have been started under his visionary leadership.

DR. SANJAY JAIN
JOINT SECRETARY, BGI

He is an Electronics Engineer and has around 20 years of exposure in manufacturing, education, research, and agriculture. He responsibly takes the challenges and goals that the organization assigns him. He has the ability to work under high pressure, is adaptive to change, has problem-solving competency, and manages the staff compassionately. He has published several papers in National and International Journals and has chaired various technical sessions. He has strong interpersonal skills and is an IT expert.

MESSAGE FROM THE DIRECTORS' DESK

We at BGI are committed to transform the lives of our students through finest education and training. We always strive for the best placement of every student of BGI and its a matter of pride that we succeed in achieving our set goals every year. We are dedicated to mould the new generation so that they can turn into brilliant professionals and responsible citizens. Success of any organization lies in the hands of all the stake holders, so we wish to have their equal contribution .We extend our best wishes to our future professionals

Our Eminent Faculties

Technical Education is the backbone of every nation and is the stepping stone for a country to move into the niche of a developed nation . Our vision is to provide access to quality learning opportunities that meet the needs of engineering students in a changing global education environment. The college achieves this by providing an environment that is supportive, student – focused and embodies high ethical standards. and we make the journey of students more colorful by taking special initiative to train young technocrats.

BGI, not only focuses on academics but also on the other practical aspects of learning. And to provide learning beyond academics we at BGI have various clubs and activity centers that shape our students into perfect professionals. To name a few we have :

(Student Club, Coding Club, Urja Club, Cultural Club, Sports Club, English Club, Social Media And Technical Associations/ Creative Workshops, Alumni Association).

EXPLORE OUR COURSES

COURSES OFFERED IN UG

- ✓ **B.Tech in Mechanical Engineering**
- ✓ **B.Tech in Civil Engineering**
- ✓ **B.Tech in Information Technology**
- ✓ **B.Tech in Computer Science & Engineering**
- ✓ **B.Tech in Computer Science Engineering (AI & ML)**
- ✓ **B.Tech in Computer Science Engineering (DS)**
- ✓ **B.Tech in Electronics & Communication Engineering**
- ✓ **B.Tech in Electrical & Electronics Engineering**
- ✓ **Bachelor of Business Administration**

COURSES OFFERED IN PG

- ✓ **M.Tech. - Computer Science & Engineering**
- ✓ **M.Tech. - Digital Communication**
- ✓ **M.Tech. - Industrial Engineering & Management**
- ✓ **Master of Business Administration (MBA)**
- ✓ **Master of Computer Application (MCA)**

Department of
MECHANICAL ENGINEERING

- **100% Placement**
- **Avishkar Club, Abhikalpanam Club and Urja Club**
- **MOUs with MSME (IGTR), KTRC, PATH Flexituff Ventures etc**
- **Advanced labs like CAD/CAM Lab Smart Manufacturing Lab etc**

Salient Features :

✓ Highly qualified & experienced faculty members & trainers

✓ Recruitment in top MNCs

✓ Technical training sessions in Auto CAD, CATIA, Solid works, etc.

✓ Industrial visits, Seminar & Webinars by Industry expert

Department of
CIVIL ENGINEERING

- 100% Placement
- MOUs with KTRC, PATH etc.
- Pratiman Club, Study Centre Club and Artistry Club
- Advance software labs for training on STAAD Pro, Total Station & REVIT etc.

Salient Features :

- ✓ Highly qualified & experienced faculty members & trainers
- ✓ Recruitment in top MNCs
- ✓ Technical educational sessions in Auto CAD, STAAD Pro, REVIT etc.
- ✓ Industrial visits, Seminar & Webinars by Industry expert

Department of
INFORMATION TECHNOLOGY

- **Highest package 57.40 Lakhs**
- **Advanced labs, 500+ Hi-tech computers, state-of-the art facilities**
- **MOUs with top Companies and Universities, Industrial visits**
- **Software Incubation Centre, Coding Club, IOT Club and R&D Cell**

Salient Features :

✓ Highly qualified & experienced faculty members & trainers

✓ Focuses towards building skills in Coding, Interface & Technology

✓ Workshops, expert lectures and skill development sessions to keep students industry ready

✓ Training sessions on IOT, Artificial Intelligence, WordPress, Java, Spring Hibernate, C/C++ and Python

Department of
COMPUTER SCIENCE & ENGINEERING

- **100% placement, Highest package 57.40 Lakhs**
- **Advanced labs, 500+ hi-tech computers, state-of-the-art facilities**
- **MOUs with top Companies and Universities, Industrial visits**
- **Coding Club, IOT Club, Software Incubation Centre, Event Management Club, R&D Cell and Google club**

Salient Features :

- ✓ Highly qualified & experienced faculty members & trainers
- ✓ Industry oriented training sessions like DSA, Machine Learning, Cyber Security etc.
- ✓ High Configuration desktops.
- ✓ Facility to earn extra credits through MOOCs like NPTEL, SWAYAM etc

Department of
COMPUTER SCIENCE & ENGINEERING (ARTIFICIAL INTELLIGENCE & MACHINE LEARNING)

- Pioneer in advanced program
- Robotics, deep learning, computer vision, etc
- Global competence, Industry collaboration
- Industry-oriented curriculum; Hands-on projects, expert sessions

Salient Features :

✓ Highly qualified & experienced faculty members & trainers

✓ Specialization in Artificial Intelligence & Machine Learning

✓ Industry-oriented curriculum; focus on building a strong foundation in advanced ML & DL techniques

✓ Hands on industry projects; practical experience through real-world projects & regular sessions by industry experts

COMPUTER SCIENCE & ENGINEERING (DATA SCIENCE)

- Early integration of design thinking and creativity
- Focus on extracting insights from data
- Curriculum combines machine learning, algorithms and business acumen
- Strong job prospects in Retail Finance, E-commerce, Healthcare & IT services

Salient Features :

✓ Highly qualified & experienced faculty members & trainers

✓ Specialization in Data Science - BIRT, BIRTS olny

✓ Industry-oriented curriculum; focus on building a strong foundation in Data Science

✓ Hands on industry projects; practical experience through real-world projects & regular sessions by industry experts

Department of
ELECTRONICS & COMMUNICATION ENGINEERING

- **Comprehensive Training Program**
- **Highest package of 57.40 Lacs, 100% placement in 2023**
- **93+ visited companies, diverse career prospects in ECE**
- **Robust Infrastructure & Experienced Faculty**

Salient Features :

✓ Highly-qualified faculty members & experienced training coaches

✓ Top placements from reputed companies

✓ Curriculum designed as per the modern market upgrade & industrial needs

✓ Trainings in diverse areas that includes Electrical Vehicle, 5G Technologies, MATLAB, Drone Technology, Aero-modelling, Robotics & Distributed Control System

Department of
ELECTRICAL & ELECTRONICS ENGINEERING

- Software training in Auto CAD, ETAP
- Outstanding results and 100% placement
- Collaborations & associations with various industries
- Wide range of career options in both government and private Sectors

Salient Features :

✓ Highly qualified & experienced faculty members & trainers

✓ Recruitment in top MNCs

✓ Curriculum designed as per the modern market upgrade & industrial needs

✓ Training in diverse areas that includes:

- Aero modeling (Drone)

- Internet of Things (IoT) in Electric Power and Energy Systems

- AI/ML Electrical Application

- Electrical Vehicle and charging station

Department of
MASTER OF COMPUTER APPLICATIONS (MCA)

- Industrial visits on regular basis
- Seminar and lectures by Industry experts
- Full time dedicated trainers for placement preparation
- Specialized training on Java, Python and web development

Salient Features :

- ✓ Highly qualified and experienced faculty members
- ✓ Ph.D., M.Tech. and MCA qualifications.
- ✓ Practical exposure to students in the relevant areas
- ✓ Curriculum that aims at producing trained professionals to successfully meet the demands of the IT industry
- ✓ Specialized training in Cloud Computing, Application Software Development, Enterprise Resource Planning, etc.

Department of
MASTER OF TECHNOLOGY (M.Tech)

- Digital Communication
- Computer Science & Engineering
- Well established labs for research
- Industrial Engineering & Management

Salient Features :

✓ Highly qualified & experienced faculty members & trainers

✓ Well established labs for research and development

✓ Supportive environment to accomplish work in given time frame

✓ PG Scholarship to GATE qualified students

- Financial Management
- HR Management
- Marketing Management
- Retail Management
- Banking and Financial services management

Salient Features :

✓ Extensive range of audio-visual equipment is used during the teaching sessions

✓ Various Events are connected to develop leadership skills among the students

✓ Computer-based simulations are used to facilitate the development of skills

BGI TIMELAPSE

Olly Esse

CULTURAL ACTIVITIES

Our cultural events are equally exciting, with a diverse range of contests that celebrate the culture and traditions of our society. From music and dance to open mic and wall painting, we have something for everyone to enjoy.

WE ARE BGI

SPORTS

Badminton | Football | Kabaddi | Gully Cricket | Volley Ball | Indoor Games

Sports competitions are a crucial part of our curriculum, and we have planned a range of challenges to test the skill, speed, and finesse of our participants. Our sports competitions are a platform for you to showcase your talents and represent your college with pride.

TECHNICAL ACTIVITIES

Hackathon   Robotics   Debugging   LAN Gaming   Tech Rangoli   Treasure Hunt

For the ones who are absolutely crazy about technology, we have a series of technical competitions that will challenge your knowledge, creativity, and problem-solving skills. From coding challenges to LAN gaming competitions and Tech Rangoli design challenges, our technical events provide a space for our participants to unveil their skills and proficiency.

NCC
NAVY WING & NSS

National Cadets Corps (NCC) - NAVY WING aims at development of character, discipline, comradeship, secular outlook, ideals of selfless services, adventure spirit and inculcates leadership skills among students. BGI is one of the first private educational institute of the central region that has Girls NCC platoon having 54 cadets.

National Service Scheme (NSS) is a student centric program complimenting the Engineering education. It inculcates the spirit of voluntary work among the students and teaches through continuous community interaction. It brings students closer to the society.

ADMISSION GUIDELINES

ENGINEERING ADMISSION (B.TECH):

✓ Qualification: Minimum eligibility is 10+2 examination or equivalent with Physics, Chemistry, Mathematics conducted by the M.P. Board of Secondary Education/CBSE or any recognized board.

✓ Exam: Admission is based on JEE (Joint Entrance Examination) results.
Minimum Passing Marks: General candidates require a minimum of 45% marks in PCM (Physics, Chemistry, Mathematics) subjects in the 12th examination. SC/ST/OBC candidates require a minimum of 40% marks in PCM subjects.

✓ Eligibility for **B.Tech** Lateral Entry (Second Year)

✓ If anyone is planning to go for **B.Tech LE (Lateral Entry)** then you must have successfully completed a 3 year diploma in engineering. A candidate must have scored atleast 50% aggregate in 3-year diploma. Most of the students do diploma after class 10th. Although, students who have completed diploma after 12th also is also eligible for B.tech lateral entry.

MBA ADMISSION:

✓ Qualification: Any graduate of three years in any stream is eligible for MBA admission.

✓ Minimum Passing Marks: General category students must have a minimum of 50% aggregate marks, while SC/ST/OBC candidates must have a minimum of 45% aggregate marks.

MCA ADMISSION:

✓ Qualification: Eligible candidates must have a graduate degree in B.C.A/B.Sc. Computer Science/B.Sc. (IT)/B.E. (CSE/IT)/B.Tech. (CSE/IT) or an equivalent degree.

✓ Mathematics Requirement: Mathematics at 10+2 level or at Graduation level is necessary.

✓ Minimum Passing Marks: General candidates should have a minimum of 50% marks in the qualifying examination, while reserved category candidates should have a minimum of 45% marks.

M.E./M.TECH ADMISSION:

✓ A candidate seeking admission to M.E./M.Tech. Courses should be a Graduate in Relavent field of Engg. Technology with at least 50% marks, 45% marks in case of Candidates belonging to SC/ST/OBC (excluding creamy layer) categories of Madhya Pradesh. Bachelors degree should be of minimum of four years duration should have been obtained from any AICTE approved institution or Indian University or from a foreign University recognised by Association of Indian Universities (AIU) or 7 institute recognized by the AIU or any Institutes of national importance (i.e. IITs/IISc/ NITs etc.), duly recognized by the MHRD, as equivalent thereto.

ADMISSION PROCESS:

✓ The admission process is conducted through the website portal of the Directorate of Technical Education (DTE) at www.dte.mponline.gov.in.

✓ Students need to register and complete the verification process as per the guidelines provided on the website.
✉ info@bistbpl.in | ☎ 9109954681, 9109954642

SCHOLARSHIPS

FINANCIAL SUPPORT:

✓ Scholarships are provided to bridge the financial gap for students.

STATE GOVERNMENT SCHOLARSHIPS:

✓ **Merit Cum Means Scholarship:** Eligible SC/ST/OBC candidates can avail of the state government's merit cum means scholarship.

✓ **Assistance Provided:** We assist students in filling out the scholarship form available at the portal and provide the required institute documents.

✓ **Scholarship Portal:** The scholarship portal for state government scholarships is www.scholarshipportal.mp.nic.in.

CENTRAL GOVERNMENT SCHOLARSHIPS:

✓ **Minority Scholarships:** Eligible minority students can apply for scholarships offered by the central government.

✓ **Assistance Provided:** We assist students in obtaining these scholarships.

✓ **Scholarship Portal:** The scholarship portal for central government scholarships is http://scholarships.gov.in.

FEE PAYMENT

Admission staff helps students open their bank accounts for smooth monetary transactions.

The facility of online fee payment through various payment gateways is available for students.

Fees should be deposited before starting of the session/semester.

ACADEMICS

Highly skilled and experienced faculties in all branches are teaching and mentoring the students to make them successful individuals and industry-ready professionals.

Experienced the Pandemic and Post-pandemic scenario, our group of institutes continues its unstoppable journey towards providing best education to its students through online teaching platform. A world class learning management system is implemented for this purpose.

TEACHER GUARDIAN SCHEME

The teacher guardian scheme in the institute is to establish a good sense of rapport with students, fostering, healthy teacher-student relationships. In this scheme, the teacher acts as a mentor, guide and philosopher. They interact constantly with students and keep themselves in contact with the students to resolve thir problems related to family, health, socio-economical etc. and can provide help to sort them out.

TRAINING FOR PERSONALITY DEVELOPMENT

In addition, to make students technically strong, we never forget that they have to face the corporate world when they are out of the institute. To make them smart professionals, there are regular classes for personality development and communication skills, each semester. They get additional trainings for the campus placements.

STUDENT REFERENCE MANUAL

Student reference mannual is a Online platform for course curriculum available to each & every student Through college website as BGI canvas.

STUDENT'S PROJECT EXHIBITION

As a part of the curriculum, students have to build academic projects in their final year in both hardware and software fields to exhibit and bring out talent, fostering innovative skill set.

GENERAL AMENITIES

Grooming Facilities:

Communication labs, seminar halls, conference rooms, sports & Cafeteria, Medical, 24x7 wifi facility well equipped computer labs.

Transport Facility:

The institute provides a very safe transport facility specific for student and other staff members in the form of buses. These buses are available from all corners of Bhopal and from Sehore, Gairatganj, Raisen, Vidisha, Obedullaganj, Narsinhgarh.

Hostels:

The college has tie-up with different hostels for the students. They also have the option to arrange their own PG/ Hostels in the local area or can stay in hostel facility provided by other private owners located nearby college campus.

Canteen:

The canteen provides nutritional and healthy food and other items for the students. The quality of food in canteen is controlled and ensured by institutional committee.

Auditorium:

The institute houses an auditorium which facilitates the students to carry out their activities in the right environment, smoothly and with ease. The Auditorium is centrally air-conditioned with a fully sound proof set up and equipped with latest technology for all types of audio/video presentations.

ANTI-RAGGING COMMITTEE

Ragging is strictly prohibited. The punishments are liable to those who are found guilty of ragging as per UGC regulation on curbing Menace of ragging 2009.

In order to ensure and facilitate peaceful and disciplined stay of the newly admitted first year students, institute constituted Anti Ragging Committee. The conveners and members of the committee through their strict vigilance ensure harassment free and homely stay for fresher in the campus.

To ensure that senior students won't indulge in any activities that may count as ragging, and to eradicate the menace of ragging, Hon'ble Supreme Court in Civil Appeal No. 887 of 2009, passed the judgment wherein guidelines were issued for setting up of a Central Crisis Hotline and Anti-Ragging database. In accordance with the orders, UGC (University Grants Commission), Govt. of India has developed a web portal. All senior students and their parents have to fill the affidavit available on this website, duly sign it and submit to the institute. The website is:

https://www.antiragging.in/site/affidavits_registration.aspx

LIBRARY

The library is stocked with more than 60,000 books, magazines, Indian & International journals, online journals and other online resources supporting all aspects of studies and research. The collection is rich and diverse, especially in terms of the breadth and depth of coverage. There are departmental libraries apart from the Central Library which acts as a learning resource for the students & faculty members. A separate reading section helps them to sit and study for making notes or writing assignments with the help of literary material. The library houses more than 5000 titles and approximately 60,000 books for Engineering and MBA. Around +200 National and International journals and magazines along with online access.

STUDENT'S TESTIMONIALS

Priya Kumari
CSE (BIST)
HOPING MIND

My four years at BGI have been incredibly meaningful, providing me with cherished memories and valuable life experience, I am grateful to the management and faculty members for nurturing and shaping my journey in numerous ways.

Shraddha Saratker
IT (BIST)
HIKE EDUCATION

BGI gave roots to my career and wings to my dreams. The ambience transformed me to be a technical professional. I express my gratitude to the mentors & T&P.

Ayush Soni
EC (BIST)
QUALITY KIOSK

My experience at BGI was very good. My Institute gave me the enthusiastic environment where I was able to develop and outgrow myself. I would like to add a special thanks to all mentors and T&P cell.

Ajay Mehar
ME (BIST)
RESPONSIVE INDUSTRIES LTD

I would like to thanks BGI for unconditional support. T&P cell organized various sessions for Communication skill, Aptitude and Technical knowledge, which can helped to grow and clear my prospective about my future.

Pradeep Vishwakarma
CSE (BIRT)
CELEBAL TECHNOLOGIES PVT. LTD

I like the placement process of BGI. Everyone is working really hard for all students so that they could get easily placed in the good companies. I got placed in our first ever placement drive at Celebal Technonlogies Pvt.Ltd.

Astha Vishwakarma
EC (BIRT)
CAPE ELECTRIC PRIVATE LIMITED

BGI has always believed in helping and guiding its students .Regular classes held at our college to help us to enhance our aptitude & technical skills. It is a matter of pride to be associated with BGI.

Kajal Gupta
CE (BIRTS)
RESPONSIVE INDUSTRIES LTD.

I was impressed by the dedication, expertise & willingness of faculty members to go the extra mile to support students. The curriculum was well-structured, industry-relevant and provided ample opportunities for practical learning and personal growth.

Anurag Kushwah
ME (BIRTS)
RESPONSIVE INDUSTRIES LTD.

I have deep sense of gratitude for being selected throughout the campus placement program. The Institute provides an unparalleled leaning atmosphere that promotes not only academic development but personal growth as well

TRAINING & PLACEMENT

✓ **Excellent Placement Opportunities:** BGI has a strong track record of placing over 13000+ students in 300+ reputed national and multinational companies.

✓ **Industry-Ready Training:** The experienced Training Team conducts mock interviews, GD sessions, aptitude training, and communication skills development to prepare students for placement drives and the corporate world.

✓ **Wide Range of Recruiters:** BGI has a network of 150+ high-profile recruiters, including Microsoft, TCS, Wipro, Deloitte, HCL, Infosys, and many more, providing diverse employment opportunities.
Impressive Placement Record: BGI maintains a 100% placement record in multiple branches, with students securing dream job offers. The highest package offered was 57.4 lacs, and the average package stood at 4 lacs per annum for the year 2023-2024 & 2024-2025.

✓ **Dedicated Placement Team:** The Placement Team, comprising experienced professionals with corporate backgrounds, ensures a smooth employment process for students and fosters strong relationships with companies. It also supports aspiring entrepreneurs in establishing successful businesses.
